The purpose of this net is to provide amateur radio operators in this area a chance to exchange news and information about ham radio as well as keep in touch with fellow hams in the area.

For those unfamiliar with the format of our net, we take a round of check-ins and then call down the roster inviting stations who checked in to tell us about their weekend, list swap shop items, make announcements, or tell us whatever is on their mind. Stations checking in as short time or announcing "no comments for the net" will not be called upon.

Stations wishing to check in please give your call sign normally then phonetically using standard phonetics followed by your location. We will now begin taking check-ins from any mobile portable or short time stations. Mobile, portable, and short-time stations please call now. *[Announce check-ins, and call again until no more]*

Hearing no more stations I will now begin normal check-ins ...

Any A as in Alpha, N as in November or W as in Whiskey stations please call now. *[Acknowledge check-ins and repeat until no more stations call]*.

Any K as in Kilo stations please call now. *[Acknowledge check-ins and repeat until no more stations call]*.
